Sewer Board Meeting

August 22, 2023

6pm

Cedar Grove Volunteer Fire Department

Meeting Call to Order.

Roll Call.

Mayor Melissa Young present

Kenny Barton present

Frank Hill present (late)

Mayor Young read the balance of the Sewer Fund \$124,858.98. It will be discussed at the next Town Council meeting paying a lump sum to the Kanawha PSD to get the debt paid faster.

Mayor Young has been in touch with the DEP trying to get the town in compliance. We now have Pump Station Logs that need to be filled out starting tomorrow. We need a daily manual for each Pump Station that will be available anytime there is an inspection. We need a Class C operator and a Rain Gauge. We will be sending 2 employees for Class C sewer operator training, Heath Hill & Josh Clark. The grass needs to stay cut around the gates to the stations. There is reporting to the DEP that will be done online and Mayor Young will take care of this. She also pointed out that the reporting hasn't been done previously because she was told by the previous part time sewer operator that the town was on a waiver and did not have to report to the DEP, she found out from the DEP that this was not true. The school Pump Station previously was being taken care of by the school, but currently, the town is taking care of it. The grease traps need to be checked periodically at the school, Mr. Crawford at the school is looking into how they contain the grease. Frank Hill mentioned that there may be a certain amount of money that needs to stay in the Sewer Fund at all times, we will look into this.

No further business. A motion was made by Kenny Barton to adjourn, seconded by Frank Hill. All in favor, meeting adjourned.
