Old Business

Sewer update on Terminations/ Town Clerk Jessica Morris stated that in December we sent out 59 Termination Letters for \$6379.84 and collected \$4689.06 & we turned off 4 customers.

There was no one present from the Ordinance Committee. The attorney will draft a new ordinance to prevent people from residing in outbuildings.

Part time sewer operator/ Mayor Hudnall would like to hire Mike Graves for 20 hours a week, \$20 an hour to do paperwork for the DEP and check the sewer stations. Motion made to hire Mike Graves by Councilman Harrison, seconded by Councilwoman Young. Motion passed.

Bids for the Sewer Jetter will be posted in the paper next week.

New Business

The Town Election will be held June 13, 2023. Filing will be Feb 1, 2023 through March 31, 2023.

The attorney informed the Mayor that Dunn Engineering was sold to Thrasher & the Town may want to think about getting a new engineer.

The heat is out in the Community Center & the water froze when it was real cold. We are in the process of a fix.

Mayor Hudnall informed us that he talked to Mr. Negley, the town attorney. To collect past water bills that is owed to the town we will have to go through magistrate court. We can ask Glasgow for a copy of their document that they file with magistrate court to place a lien on the property for unpaid bills. Just because West Virginia American Water has taken over the water utility, the past water bills owed to the town still need to be collected. There is a filing fee for each but money collected will cover the fee.

The water tank project is finished & the Town needs to know what company did the work so we can collect B&O Taxes.

The Council needs to come up with a price for renting the Community Center and a contract. Councilman Harrison made a motion to rent it for \$150 for up to 6 hours, with a mandatory \$50 deposit that will be returned to the renter if the Community Center is left clean after the event, and \$25 each additional hour. Seconded by Councilwoman Young, motion passed.
