Steps in the Cedar Terrace

The steps going into the Cedar Terrace are in need of repair or removal. Mark Harrison spoke with residents living around the area of the steps. They would like to see them removed and blocked off so four wheelers wouldn't be traveling on it. Mayor Young stated that the town guys would be cutting the grass and weeds around the area and no. Once weeds are cut people won't travel as much since they can be seen.

Gravel for the Baseball Field Concession Stand

Gravel at the baseball field was taken care of, there was a trip hazard due to the gravel being much lower than the sidewalk.

Ryan Coleman asked about the cleanup of the houses on old route 60. Mayor Young stated that she had tried contacting the owner several times with no response. Ryan stated there are a lot of wrong way drivers going by his house and the clinic. He is concerned about the kids playing in the area. Leslie Sigler stated we need one-way signs for the school block. She also stated we need to move the sign with the arrows pointing in the wrong direction, we also need to start on the parking area for the park that has already been approved. Mayor Young stated we needed to decide how much we were going to use for parking and if we are going to use gravel or blacktop. Gary Foster stated there are several bleachers in the outfield of the ball field that need replaced.

Leslie Sigler made a motion to adjourn, seconded by Ashley Young, all in favor, meeting adjourned.
